**Man will be eloquent if you give him good wine
Ralph Waldo Emerson**

From Temecula, The family owned Stuart Winery produces unfiltered wines. They believe that filtering in fermenting robs the wine of reaching full flavor. They take pride their wines have a soft butter like flavor.

Stuart Cellars Vineyards

Tatria Meritage is a blend of three wines; 60% Cabernet Sauvignon, 30% Merlot, and 10 % Cabernet Franc. Its bouquet gives hints of Black Cherry, Tobacco, and Clove. Aged in French Oak barrels, it can stay aged for a decade. A full and firm body with a spicy, but nice, after taste of plum, Best enjoyed with heavy pastas and steaks.

Stuart's Sauvignon Blanc has a soft pleasant aroma of herbs, spic, and floral. The flavors are a wonderful blend of citrus, green apples, passion fruit and hints of sage and licorice. The balance of the wine allows for a crisp finish. Serve chilled with salads, fish, light poultry or just sitting back and sipping.
